# JORGE G. VANSLYKE

## President & Chief Executive Officer

Jorge G. VanSlyke is a Certified Health Executive with Master of Social Work (2012) and Master of Public Administration (2020) from Dalhousie University. Her professional background includes community organization, child, youth, and family services (adoption, child protection, independent living for youth at risk), assisted living for seniors, long term care, and acute care. She has been in management / executive roles since 2012.

Jorge's professional career spanned multiple countries and Canadian provinces including Newfoundland and Labrador, Nova Scotia, and Yukon Territories.

As the President and Chief Executive Officer at AGH, Jorge oversees a spectrum of health and community services ranging from acute care / emergency, telemedicine, long term care, mental health and addictions programs, rehabilitation, and ambulatory / outpatient services.

Jorge is passionate about leadership. She is currently the Vice – Chair for the Northwestern Ontario Chapter of the Canadian College of Health Leaders. She is also a member of the Atikokan Family Health Team Board.

Jorge is a lifelong learner with insatiable curiosity when it comes to health care systems and how best to provide seamless care. She firmly believes that the system should work for the person and not the other way around.

She is currently enjoying Atikokan with her spouse and three children along with their furry companion, Coco!
