LORRAINE GAUTHIER STROMBERG

Child & Youth Mental Health Clinician and Community Integration

Lorraine has worked in Atikokan, Ontario, as a Children's Mental Health Clinician since 2003. She also works as a Community Integration Worker, with children aged 6 to 18, who have been diagnosed with a developmental disability.

- Partnering with Community Members to create plans for clients, structuring referrals and resources for clients, supporting clients and families, advocating, advocating, advocating!
- 2 College Diploma's: Social Service Worker and Drug and Alcohol Counsellor / Graduated in 2003
- My age brings me some wisdom and perspective. I love all seasons and almost all outdoor activities!
- Empathizing with clients, understanding varying needs for different people, treating each family/child as an individual, getting together the resources that the client needs.

I can be reached at Kenora-Rainy River Districts Child and Family Services in Atikokan, Ontario.

Phone: (807) 597-2700 Ext. 4034

I'm looking forward to meeting with everyone and catching up on their lives in recent months!
