About Us

A Patient and Family Advisory Council has been created in partnership with the Atikokan General Hospital, The Atikokan Family Health Team and Atikokan Medical Associates to better hear the voices of our community. The goal is to give patients and advocates the opportunity to give ideas and feedback on our services. It is our hope to continue to provide excellent care for those who require our services.

What Are Our Goals?

- Share feedback from the community regarding health care in Atikokan.
- Help design patient and community surveys.
- Review strategic plans, policies and practices that affect patient care.
- Support and advance quality patient care.

Membership

- Patients, families and caregivers
- Representatives of the Atikokan General Hospital, Atikokan Family Health Team and Atikokan Medical Associates.

How to Be a Member:

- Experience using health care services in Atikokan and surrounding areas.
- A desire to make a difference.
- Make sure that the community continues to receive excellent care.
- The ability to commit at least two hours a month for meetings and projects.

Members are expected to:

- Maintain confidentiality.
- Participate in general discussion.
- Share thoughts on policy, practices and application of Patient and Family-Centred Care Principles.
- Review the results of Patient Satisfaction and Community Surveys.
- Assist in developing Quality Improvement Plans.
- Promote Patient Advocacy
- Represent the views and concerns of the Patient and Family Advisory Council to the community of Atikokan and its surrounding areas.
- Declare a conflict of interest when they arise.
- Promote, encourage and create patient understanding.
